SENIORS

Class officers lead seniors

The Seniors of 1973 have lead the South Central students through out the 1972-73 school year.

The Seniors presided over many extracurricular activities. Gary Hale served as President of Tri-M and National Honor Society. Debby Hopkins held the postions of Yearbook Editor and Future Homemakers of America President. The Future Farmers of America were presided over by Scott Knoll. The thespians were led by President of the Drama Club, Roger Blair.

The South Central gridgers began the 1972 football season with eight seniors. Marty Sanders, Chuck Rinehart, Roy Howard, Rod May, Rick Minniear, Chris Sloan, Kenny Dittman, and Don Pettit. Each of the eight was an active part of the team. At each game, the Marching Band performed at haftime. Guidance was provided by Senior band squad leaders throughout the halftime practice sessions. The band was led down the field by head majorette, Cindy Brown. The four other performing Seniors were Theresa Hawkins, Linda Patton, Lynn Keinath and Mary Jane Sengstock. During the Seniors' last football season, Jo Smith was crowned 1973 Homecoming Queen with Marty Sanders reigning as King. The Senior Attendent was Carol Walcher and her escort was Chuck Rinehart. The Homecoming event and many other activities were planned by the Student Council under the leadership of President, Joe Smith.

The Firelands Conference Title of 1972-73 was won by the S.C. cagers. The four Senior cagers were Chuck Rinehart, Ron Walter, Bruce Albert and Don Rhine. Statistics for basketball games were recorded and reported by Carol Walcher and Lacreasha Horne. Spirit was boosted during all sports events by head cheerleader, Jo Smith and Senior Marlene Leber.

The S.C. cindermen showed their track abilities with the help of six seniors: Don Rhine, Roy Howard, Bruce Knoll, Scott Knoll, Gary Hale and Larry Paxton.

The Varsity nine included three seniors, Rick Minniear, Dean Hunter, and Don Pettit as the baseballers looked to a fine season.

Senior Class Officers- (L-R) Don Pettit- President, Kathy Caudill- Secretary, Debby Hopkins- Treasurer, Gary Hale and Roger Blair- Student Council Representative. Absent were: Lacreasha Horne- Vice-President, and Kenny Dittman- Student Council.

Leadership in various school functions provides setting for class activities

Several members of the 1973 Senior Class have decided to further their education through college or technical training.

Chris Sloan and Todd Cronenwett have both chosen to continue their education at North Central Technical Institute. Chris is planning on majoring in Law Enforcement, while Todd's plans focus on Mechanical Engineering.

Several of the Seniors' plans include furthering their education at Ohio State University in the Fall. Some will attend the University in Columbus while others plan to attend the branch in Mansfield. Mary Jane Sengstock has chosen Consumerism as her major, however, Linda Patton would like to

major in Social Studies or Education. Home Economics or Law are Debby Hopkins' main interest at OSU. Pharmacy is Dean Hunter's goal. Roger Blair and Ron Walter plan on becoming accountants through studies at OSU. Don Pettit has chosen Wildlife Management as his major. Theresa Hawkins has also chosen Ohio State, although she has not chosen a major.

Bruce Albert and Gary Hale both plan on attending the University of Cincinnati and majoring in Engineering. Don Rhine also plans to major in Engineering, but has not decided on a college.

Judy Sparks plans on entering Bowling Green State University to become an English Teacher. Be-

coming a Lab Technician is Kathy Caudill's goal as she plans to enter Ashland College.

Marty Sanders plans on attending Winona State College but has not chosen a major. Jim Hite is interested in Law Enforcement, while Laura Keysor's main interest is Social Work, but neither have decided on a college. Dog Grooming is Sandy Risner's interest. Jerry Hale plans on attending a Construction school. Chuck Ruggles' plans includes Farm Elevator Management.

The remaining Seniors are undecided as to future plans, or are planning on getting a job after graduation.

- B. Kathy Caudill, valedictorian, addresses the Seniors and audience.
- C. Mr. James Walters offers opening remarks.
- D. Mr. Etzler, Mr. Schulz, Rev. Ellis, and Mr. Walters seem proud and pleased with the graduation ceremonies.

The leadership of Senior Class officers: President, Don Pettit; Vice-President, Lacreasha Horne; Secretary, Kathy Caudill; and Student Council Representatives, Kenny Dittman, Gary Hale, and Roger Blair led students throughout the school year.

The senior class colors were brown and orange. The class flower was a daisy. Class song: Imagine. Class movie: Brian's Song. Class motto: Serenity Prayer: God grant me the serenity to accept the things I can not change, the courage to change the things I can, and the wisdom to know the difference.

Helpful guidance was provided by Senior advisors, Mr. Charles Lepley, Mr. Ron Minard, Mr. Myron Van Scoy, and Mrs. Joanne Nelson through the entire 1972-73 school year.

The Seniors' main activity was helping to plan and carry out a mock United Nations Assembly for the entire school on March 23, 1973 as part of a Government class project.

Varsity Gridders improve

The Trojan Varsity Football squad had one of the best seasons in several years. S. C. started the season with a 20-6 victory over Plymouth on Big Red field. Next, the Trojans hosted Seneca East and won that 20-0. The Trojans lost their first home game to Edison with a 0-64 loss. Homecoming brought another defeat, this time with Black River 0-32. The Trojans traveled next to New London where the Wildcats dealt another defeat at 19-40. In the next contest, however, the gridgers' luck changed and they beat Western Reserve 32-14. Mapleton handed S. C. another defeat on the home field 0-16. In the last away game of the season the Trojans lost to Monroeville. On Parent's Night the Trojan Varsity gave it another valiant try, but lost 6-24 to St. Paul.

Under the guidance of coach Tom Zgela the South Central Junior Varsity team compiled a 1-3 record. In the first game which they played at home with Western Reserve, Bill Thompson scored a touchdown and Dino D'Ettorre kicked the extra points. Later in the game, Bill came through again. The young Trojans came out on top with a 14-8 score. The squad travelled to New London for their

next game, only to come out on the short end 0-14. The next game was also away, this time at Monroeville, where the Trojans succumbed to the Eagles 0-32. For their last game of the season the Reserves hosted Crestview, only to lose 0-13. Despite the series of losses the young gridgers gained valuable experience which will guide them in the years to come at S.C.

Firelands conference champions

The South Central Trojans Varsity Basketball team under the guidance of Coach Terry Hunt went undefeated during the 1972-1973 season, becoming Firelands Conference Champs.

The first game of the season had our center traveling to Western Reserve to win by a narrow margin of 74-71. Again on the road the Trojans rolled on to Edison beating them 75-44. Next game was Monroeville which was tough, but the Trojan Machine came through, defeating them 68-64. New London was the next team of which the Trojans needed to overcome to stay No. 1, and they did, leaving New London behind 55-34. South Central continued their winning reputation, beating Plymouth 82-69. St. Paul traveled to the Trojans floor for a defeat 41-29. The mighty Trojan then traveled to Sandusky St. Mary's for another victory, defeating the Panthers 82-68. The Big Gold Machine continued its victorious trois, defeating Mapleton 60-59. The Trojans traveled on, beating Lucas 52-39, the narrowest margin yet this season.

The second half of the season was as promising as the first. The Gold Machine rolled over Western Reserve 71-46. Next they defeated Edison 63-35. Monroeville tried to stop the mighty Trojans, but they defeated them once again 75-68. Moving right along, our super-colossal Trojans defeated New London 92-68. The Trojans broke the highest score record February 9, as they rolled over Black River 107-55. Again came Black River for a make-a-game. This score was not so great as the first, but the Trojans beat them 26-12. The Trojans then traveled to St. Paul, again beating them 66-39. The next game really showed who was on top, as the Trojans defeated Mapleton 63-32.

They then moved on to the champions, drawing St. Paul. The mighty Trojans defeated them 71-57. Drawing near to state we then played Mansfield St. Peters. The Spartans then defeated us 68-66 in overtime, turning our dreams to dust. Our finishing record was 18-1, and it was a memorable season.

SALUTES THE SOUTH CENTRAL TROJANS

J.V.'s — up and coming

Despite their upsetting season, the South Central Junior Varsity Basketball squad gained experience that will prove valuable to them in years to come. Under coach Carl Archdeacon the team compiled a 3-14 record for the season. In the first game Western Reserve beat the Trojans 34-46. Edison chopped them 26-45. Monroeville also upended the young cagers 19-58. Not to be outdone by the other teams New London ran up a 30-60 win over the S.C. 43-55. The defeats continued St. Paul 34-57, St. Marys 41-49, and Mapleton 31-46. The Trojan Reserves came close, however, in the next try with Lucas 32-38. The next three games showed the Trojans fairing better. Western Reserve emerged victorious 28-39 as did Edison and Monroeville, 34-49 and 37-59 respectfully. S.C. again came close this time with New London beating them only 32-38. Then the J.V.'s fell heir to a bit of luck. They BEAT Black River 51-40. Luck was with S.C. again in the next bout. S.C. won 36-33 over St. Paul. In a make-up game the Trojans humiliated Black River again 55-36. Their three game winning streak over, Maple beat S.C. 35-39 in a close contest to wrap up the season.

Varsity baseball team does well

The 1973 Varsity Baseball team opened the season with a 9-1 victory over Colonel Crawford and kept up their strong effort against Western Reserve with a 8-0 triumph. Monroeville traveled to the S. C. home field for a double-header counting the first two loses of the season with 2-0 and 3-2 tallies. Coming back with two wins against Black River 5-0 and a close game with Colonel Crawford the Trojans were headed for a good season. The win over New London 4-3 pushed Coach Terry Hunts team to another win. The next two games proved to be important gains, a sectional "no hitter" victory for pitcher Guy Ebinger defeating Mohawk. Followed was a start to the Semifinals in the St. Marys Invitational. Smashing New London 15-0 with four over the fence runs, a victory was claimed. Losing to

Ashland 1-0, four more games were added to the winning Trojans. One of which Don Pettit picked a no hitter against Lucas Cubs for 7-1 grab. The Trojans defeated Fremont St. Joe to be one of the semi-final winners of the St. Mary Invitational. The last game was a lost to Margaretta 5-4 which the victors took the title of the St. Marys Invitational. The S.C. squad ended the season with a 13-7 account.

The strong points came from Joe Jacobs leading hitter with a .339 batting average, and Bennie Useton who had a fine .307 average. Dale Bond broke his record with 19 walks in one season. Pitcher Guy Ebinger gave his greatest effort with 136 strikeouts and ERA average of .460 runs per game setting records. It was a great season.

Student council

The Student Council, is the largest elected body of the school. The council gives student a chance to govern themselves democratically. The council works closely with principal, Mr. Walters and faculty advisors Miss Bell, Mr. Leply and Mrs. Zoz.

The council sponsored the Homecoming Activities, several assemblies, the election week and the annual school clean-up day.

The council keeps the paper and pencil machine supplied and answers suggestions from the suggestion box.

Officers for the Student Council this year are: Jo Smith, President; Heidi Shultz, Vice President; Bonnie Clevenger, Recording Secretary; Cindy Brown, Corresponding Secretary; and Mary Jane Sengstock, Treasurer.

S.C.H.S. band raises money for new uniforms

Raising money for the new band uniforms is the main project this school year. The members collected pennies, paper, etc. and sold tickets and many other things to raise money. Their goal is already more than half way met.

In the summer the band participated in Street Fairs and ice cream socials. They also traveled to Columbus to perform at the Ohio State Fair.

District and State contests were the main events of the year. The band received a 4th rating at district level and went to State and received a 4th rating.

The band also gave a concert in the gymnasium which raised money for their fund, and the Senior and Junior Concert.

Office girls library staff

Checking books in and out, shelving them, and assisting students, are among the duties that a student librarian performs during the day, as they assist Mrs. Anderson in the library.

This year the students have been busy keeping the magazine room order and finding room on the shelves for some one hundred and fifty new books.

In the office students assist Mrs. McPherson and the administrator in routine office work. They collect attendance slips, make out the report for the day and run errands for the teachers and administration.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

2. The second step is to gather relevant information and data. This can involve research, consultation with experts, or collecting data from various sources.

3. The third step is to analyze the information and data collected. This involves identifying patterns, trends, and relationships that can help in understanding the problem.

4. The fourth step is to develop a solution or answer. This involves applying the knowledge and skills gained from the previous steps to create a response that addresses the problem.

5. The fifth step is to evaluate the solution or answer. This involves checking the results against the original problem and requirements to ensure that the solution is effective and accurate.

4. $A = \begin{pmatrix} 1 & 2 \\ 3 & 4 \end{pmatrix}$, $M = \begin{pmatrix} 1 & 0 \\ 0 & 1 \end{pmatrix}$ is connected as $k_1 = 2$ and $k_2 = 1$.

CLASSES

Juniors work toward prom

The Junior Class was very busy this year with money-making activities to finance the Junior-Senior Prom. They sold refreshments in the concession stand during the basketball season, raffled off two footballs and a basketball, sold magazine subscriptions, and held their Third Annual Chile Supper. For Homecoming they constructed a float and during basketball tournaments they entered the hall decorating competition. On May 12th they juniors hosted the Seniors and faculty at the 1973 Annual Junior-Senior Prom.

Eighth graders find new horizons

After becoming adjusted to their first year at South Central High School, the eighth graders seemed to move right along, and get into the swing of things.

Along with the collection of \$1.00 for class dues, their money making projects consisted of the sale of S.C. jerseys and S.C. seat cushions. They were awarded the "spirit stick" at the pep rally and earned second place for hall decorations.

The Eighth Grade Presidency was filled by Jeff Ray with Clara Ronk assisting as Vice-President. Aiding the class as Secretary was Judy Abrams as Sara Ebinger directed the class treasury. Serving as Student Council Representatives were Charlene Allen and Teresa Cronenwett.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

2. The second step is to gather relevant information and data. This can involve research, consultation with experts, or collecting data from various sources.

3. The third step is to analyze the information and data collected. This involves identifying patterns, trends, and relationships that can help in understanding the problem.

4. The fourth step is to develop a solution or answer. This involves applying the analysis to the problem and proposing a course of action or a final answer.

5. The fifth step is to evaluate the solution or answer. This involves checking the solution against the original problem and requirements to ensure it is valid and effective.
